MEMORANDUM FOR: Communications Officers

FROM :

[REDACTED]

SUBJECT

RYBAT/[REDACTED] Traffic

The Ambassador has informed that he may very well be receiving traffic in the [REDACTED] channel during the next few days. As he will be away from the Tehran area on an in-country visit, he has requested that I read anything for him in that channel and contact him--if it is necessary, until Sunday morning.

Therefore, in the event anything in this channel comes in of an IMMEDIATE nature after normal duty hours, please call me at home. In the event you cannot reach me at home, please call Miss Cade.
